WHAT OUR PARTNERS SAY

Real School Partnerships. Real Experiences.

Together
for Better
Education

“ The Curious Kids preschool model gave us a structured approach to curriculum, classroom setup and day-to-day academic planning. The support from the Sanro team made the implementation process much easier. **”**

Curious Kids Preschool

Pooja Devada
Amravati

“ Curious Kids preschool franchise gave us complete support – from school setup and interior planning to academic content and teacher training. The brand is trusted and well-structured, which helped us start smoothly. **”**

Curious Kids Preschool

Vijay Jadhav
Washim

“ The Curious Kids preschool program is excellent. The learning material, activities and academic guidance are age-appropriate. The ongoing support from the team has been very helpful for our teachers and students. **”**

Curious Kids Preschool

Shradha Deshmukh
Nanded

“ The AR books with 3D models and animations have made learning more interesting. The students enjoy interacting with the content and find it very easy to use in class. **”**

Publications & AR Books

Rahul Kulkarni
Solapur

“ The lab setup and robotics equipment helped our students learn practically. The planning, installation and training support was excellent. Students are now more curious and confident in exploring new concepts. **”**

Labs & Robotics

Sneha Patil
Pune

“ The school furniture is of excellent quality and was customised as per our requirements. The classroom setup looks modern, safe and comfortable for students. The design and planning support was really useful. **”**

School Furniture

Meenal Joshi
Nashik

“ The uniforms are well designed, comfortable and of good quality. The customised options helped us maintain a consistent identity for our school. The team was very supportive throughout the process. **”**

School Uniforms

Sandeep More
Aurangabad

“ The academic support and teacher training programs have strengthened our teaching methods. The study material is structured and very useful for our teachers. We have seen better student engagement in class. **”**

Academic Solutions

Priya Inamdar
Kolhapur

“ The digital classroom and complete school solutions have made our school operations smoother. The smart learning tools, software support and guidance for CBSE affiliation were very helpful. The team is professional and always available. **”**
